ASA Candidates' Night

All candidates and members are urged to attend Candidates' Night Dinner Meeting:

Date: Thursday June 12, 2008 **Time: 6:00 pm**

Place: L'Oliver Restaurant, 465 Davis Court, San Francisco in the Club Room. (415-981-7824) The restaurant is easily accessible via BART, and \$5 valet parking is available.

NOTE: The dinner is being provided **FREE OF CHARGE** for all candidates and attending members, so please come and network with experienced, successful appraisers in your discipline. The program will:

- offer tips to help you advance from Associate/Candidate to Accredited Senior Appraiser
- explain what is expected in the advancement reports for each discipline
- provide access to checklists that your discipline uses to evaluate reports
- provide a FREE COPY of the 2007-2008 Chapter Membership Directory

I believe that demand for qualified and certified appraisers in all discipline areas will continue to increase. I'm looking forward to this meeting and I hope to see you there!

The Chapter Board Meeting will be held at 5:30 pm. You are welcome to attend and bring your ideas for future seminars and meetings. Becoming more involved with ASA at the Chapter and International level is a sound career-building strategy.

All attendees, candidates and members, should contact Mr. Doug Baxter, at 415-292-3362 as the room holds only 50 persons. **Please RSVP as soon as possible** via Email at dbaxter@hobartappraisals.com.
